

Worcester Sporting Grants

Freedom Leisure & Sport Worcester provides grants to clubs or individuals.

Sporting Organisation Grant

1. Grant Application Form

This must be completed in **full**. Applicants who do not fill out the form in full, slow down the process of application and risk grant rejection, *for example*: by not giving any costs or the amount applied for.

2. The maximum grant that a club can apply for is £500

Grants can be given for any amount up to the value of £500.

Freedom Leisure can financially assist sport clubs and organisations to increase standards, development, and participation.

3. Recognition

If applying for a grant the applicant must be willing to acknowledge Freedom Leisure & Sport Worcester wherever possible for providing the grant and the benefits it provides. This can be in the form of social media, press releases or any other form of media coverage.

For equipment and kit which is purchased via the grant, we would like you to include the Sport Worcester logo where possible. We will accept the cost of this within your grant application.

Who we fund?

Sport clubs or organisations who are based in Worcester City and compete at a regional level or higher with the exception of emerging/developing junior clubs that have an impact on the community or combat anti-social behaviour.
